Color inspiration is the top reason over 60% of our audience visits Domino.

We all see color differently, and that’s what makes it so personal—from how we dress, travel, and live to the feel-good hues we want to surround ourselves with every day. For Team Domino, color is powerful, transformative, and expressive. Our color palette and brand logo changes seasonally and our readers come to us for trending content—from paint shades to color of the season—that celebrates just that.
We talk a lot about bringing the outdoors in—and feature a lot of beautiful, plant-filled homes—but the ultimate dream is to have a space that seamlessly blends the outside world and your interiors. From plant styling and landscaping to multi-functional spaces made for entertaining and relaxing to pieces that let you enjoy the outdoors way well into not-so-warm weather, we know that true indoor-outdoor living is about more than just crafting a perfect patio or porch; it’s about blurring the lines between your home and nature in a way that lets you experience the best of both realities at the same time.
From the millennial who is gearing up for an epic wedding season to the newlyweds seeking ways to combine two different styles, creating spaces that reflect your personal aesthetic is what fuels our audience every single day. Domino's wedding channel is filled with real-life love stories, “I do” destinations, artful tablescapes, and more ideas to inspire your big day.
Our recurring, cross-platform programming connects our audience with the themes they’re most engaged with.
81% of our audience has a need for renovation resources and guidance.

What originated as a recurring series in our print book has now transformed into a dedicated digital issue and an always-on Instagram handle (@reno_notebook) as before-and-afters continue to be our most engaged content. In Renovator’s Notebook, homeowners open up about the nitty-gritty of their remodels. From how long it really took to how much it actually cost to what went wonderfully, it’s-all-worth-it-in-the-end right.
